MEMORANDUM FOR: Chairman, CS Historical Board

SUBJECT : Executive Director's memo for DDP dated  
17 July 1970 re Management of CIA Historical  
Program (ER 70-3041/2)

*Hush,*

I am not certain that Red White's memorandum is really responsive to ours of 8 June 1970 to the DDP, and I think that we should stand our ground and tell the DDP that we propose to do so. I attach a draft, in which I have had the cooperation of my own Historical Officer, which I suggest might keep things in the proper perspective.
